PRODUCT DESCRIPTION

20w and 30w track led projector with passive cooler, in aluminium die casting trim can be white or black (other colour under request).

Slick design hides the heat sink for better looking luminaire, which can be 360° rotatable and 180° tilttable.

Reflector Made of 99.98% Aluminium with front ring made of high temperature resistant PC material. The oxidized finished heat sink strengthens the cooling of fixture.

LED Module mounting hole dimension meets the standard of zhaga.
