Projector Measurement (mm)	<u>10</u> ×1000
Projector Box Size (mm)	<u>230</u> ×200×10
Projector Weight (kg)	<u>0.2</u>
Tension (V)	<u>24</u>
Packing Weight (kg)	<u>5</u>
Packing Size (mm)	<u>400</u> ×240×220
Power Rating (W)	<u>24</u>
Lumens	<u>1800</u>
IP	<u>20</u>
CRI	<u>90</u>
Light Angle	Flood
Light Colour	Warm White
Lumen maintenance (hour)	<u>30000</u>
Colour (Body)	White

PRODUCT DESCRIPTION

24w/m led strip with 2216 led chip.
In small package with high power, high lumen output, high light quality and better heat dissipation.
The high density led chip arrangement simulate a continuous line of light, reducing glare.
All specification are related to each strip meter.
